SAVE LIVES, FORK! CANCER

EVENT OVERVIEW

The American Cancer Society GenNow Network Seattle Chapter presents the 2nd Annual Fork Cancer Seattle will take place on Thursday, March 26, 2026 at the Block 41 in Seattle.

The evening will feature small bites and craft cocktails as well as lots of entertainment and a silent auction. We will also recognize and celebrate the fundraising efforts of our Champions – a group of Seattle’s emerging leaders who are personally raising funds to help end cancer as we know it, for everyone.

FUND OVERVIEW

Funds raised by the 2nd Annual American Cancer Society Fork Cancer will be used to ensure that the unique needs of each cancer patient are met by delivering life-saving programs, services, and advanced research.

The American Cancer Society’s work has contributed to a 32% decline in the US cancer death rate from 1991 to 2019 resulting in 3.5 million fewer deaths during that time.
